Hi Kelley,  
Sorry I've been on leave since Thursday. I was looking back through my e-mails and saw one sent this past Friday from Gene Nance. I believe this was the data package they were looking for.  
If not please let me know.  
Thanks,

Hi Suddha -

Ft. Meade has still not received the micro data. We are under a great deal of pressure to get this data finalized and to the residents ASAP. Would you please check on the status and get back to me latter today to let me know what you find out?

Thanks - Kelley
